

OFFICIAL TOKEN SALE OFFER

JLP (JLP)

JT TRADECAPITAL LTD – London, United Kingdom

Blockchain: Solana

Token: JLP (JLP)

Category: Liquidity Asset – JT TRADECAPITAL Ecosystem

Issuer: JT TRADECAPITAL LTD, 80 Charlotte Street, London, W1T 4QS

Asset Description

The **JLP (JLP)** token is the **liquidity backbone** of the **JT TRADECAPITAL LTD** ecosystem. It supports decentralized financial operations, digital treasury growth, and all liquidity mechanisms linked to the **LND (LND/PRS)** governance token.

Each JLP token represents a **unit of digital value** within a structured, transparent, and blockchain-certified system designed to connect real economy and decentralized finance.

Real-Time Pricing & Discount Model

The **sale price** of each JLP token is determined in **real time** based on the market value at the time of purchase.

However, investors benefit from a **progressive discount structure** that rewards higher participation tiers.

Lot	Investment (USD / € Equivalent)	Access Tier	Discount on Real-Time Value	Bonus on Allocation	Lock-Up Period
Lot 1	\$5,000	Base Tier	0%	+2%	12 months
Lot 2	\$10,000	Standard Tier	5%	+4%	12 months
Lot 3	\$15,000	Silver Tier	10%	+6%	12 months
Lot 4	\$25,000	Gold Tier	12%	+8%	12 months
Lot 5	\$50,000	Platinum Tier	14%	+10%	12 months
Lot 6	\$100,000	Diamond Tier	16%	+12%	12 months

Lot 7	\$500,000	Founders Tier	20%	+15%	12 months
-----------------	-----------	------------------	-----	------	--------------

Example:

If the real-time market price of JLP is **\$1.00**, an investor purchasing Lot 3 (\$15,000) would receive tokens at **\$0.90** each, plus a **6% allocation bonus**, with all tokens subject to a **12-month lock-up**.

Use of Proceeds

Funds raised through this offer will be allocated to:

- Expansion of **DeFi infrastructure** connected to LND (LND/PRS);
 - Creation and reinforcement of **liquidity pools** on Solana-based DEX platforms;
 - **Innovation, development, and blockchain integration** within the JT TRADECAPITAL ecosystem;
 - Support for **social and cultural initiatives** promoted by the **JTV Foundation**.
-

Participation Procedure

Investors can subscribe to the offer via official **JT TRADECAPITAL LTD** channels. Token delivery occurs immediately after payment confirmation and identity verification (KYC).

Pricing: determined in real time at the moment of purchase

Distribution: immediate post-confirmation

Supported Wallets: Phantom, Solflare, Glow, Backpack

Blockchain: Solana (SPL standard)

General Terms

- The **JLP (JLP)** token does not constitute shares or financial securities.
 - Participation implies acceptance of the official terms and policies of **JT TRADECAPITAL LTD**.
 - The offer targets experienced investors aware of digital asset risks and does not represent a public solicitation of investment.
